

# MARKETING ANNOUNCEMENT

Authorized Applicator

**ID-2020-11**

**SunWeld™ Plus Conventional Skylight by VELUX®**

**June 25, 2020**

## To: Carlisle SynTec Systems' Authorized Applicators

Carlisle SynTec Systems is pleased to announce its collaboration with VELUX® to offer **SunWeld Plus by VELUX®**, a new line of quality commercial skylights. This new line offers a variety of custom skylight options, revolutionary skylight designs such as the Dynamic Dome, and extended warranty coverages up to 20 years.

VELUX® is the world's largest skylight company and a market leader of commercial skylights with nearly 80 years of experience designing and building skylight systems.

Carlisle SynTec Systems' collaboration with VELUX® provides the following:

- The innovative Dynamic Dome skylight which features
  - A dome engineered to capture low-angle morning/evening sunlight
  - Eighteen standard sizes available
  - Warranties up to 20-years providing leak-free & 15-year hail damage coverage
  - A 100% thermally-broken frame with triple condensation protection
- Custom skylights in various sizes, shapes, curb options, and glazings
- Seven distribution centers across the U.S.
- VELUX® manufacturer sales and technical support

WARRANTIES		
Acrylic	100% Impact Modified Acrylic*	Polycarbonate*
