

CARLISLE'S AUTHORIZED APPLICATORS MARKETING ANNOUNCEMENT

ID-2016-17

Sure-Weld® TPO and Sure-Flex™ PVC Universal Corners
December 16, 2016

To: Carlisle SynTec Systems' Authorized Applicators

Carlisle SynTec Systems is pleased to introduce its new Sure-Weld® TPO and Sure-Flex™ PVC Universal Corners. Carlisle's pre-molded, seamless TPO and PVC Universal Corners are made of injection-molded, 60-mil non-reinforced flashing. Each Universal Corner can be cut into one inside or outside corner. To ensure proper installation, the cutting instructions are molded into each Universal Corner.
