

# MARKETING ANNOUNCEMENT

Authorized Applicator

**PVC-2020-16**  
**Sure-Flex™ PVC 110-Mil Walkway Roll**  
**September 11, 2020**

**To: Carlisle SynTec Systems' Authorized Applicators**

Carlisle SynTec Systems is pleased to introduce a new Sure-Flex PVC Walkway Roll. This new heat-weldable walkway roll is 110 mils thick to provide superior protection for PVC and KEE HP membranes in areas exposed to repetitive foot traffic and other hazards. Additionally, the new walkway roll features a herringbone tread pattern for increased slip resistance.

This new 110-mil walkway roll will replace the existing 80-mil Sure-Flex PVC Walkway Roll, which will be available until inventory is depleted.

Product Code	Color	Packaging	Size	Weight	Stocking Location
336712	Gray	1/EA	3' wide x 60' long	114 lbs	C, G, T

C = Carlisle, PA; G = Greenville, IL; T = Tooele, UT

New Sure-Flex PVC Walkway Roll samples can be requested using the Online Literature and Sample Order form which can be found under "Forms" on your online dashboard.

If you have any questions, or for more information, please contact your manufacturer's representative.

Sincerely,

A handwritten signature in black ink, appearing to read "Taylor Gingerich".
